Dear Sir.

I have two fruit-pieces painted in oil by Francis
some 40 years ago, that have been pronounced
unequaled in America, by competent judges.
Size 19 x 24.

I want to dispose of them, and it has been suggested
to me that perhaps the Trustees of the Corcoran
Art gallery would like to purchase them.
They are worth \$500. a-piece.

If you care to consider the matter and will
so advise me. I will have them brought to my
office at above address or will send them
to the gallery for inspection as you may prefer.

Respectfully yours
Clinton Lloyd

The Trustees of the
Corcoran Gallery,
Washington, D.C.

Gentlemen:-

We are now publishing a work entitled, "Biographical Sketches of Pre-eminent Americans": the work is to comprise 20 sections with 6 photogravure portraits in each section, and as we intend to make the best, and we think we can say the only, first class biographical work of the kind ever produced in this country, we are desirous of copying only oil paintings and as we find many such in your gallery, and as our representative in Washington advises that we write to you for permission to copy those that we desire, we now do so, and will ask that you kindly grant us the permission to copy those that we require.

We will give you all the assurance that is necessary that the work will be first class in every particular. The plates are made in photogravures, and as we have started to copy only oil paintings, we are of course desirous of getting those that are considered the best, and will esteem it an especial favor if you will grant us permission to make copies.

We are,

Most respectfully yours,

E. W. Walker & Co.

*We have this day
Mailed for Section
One for your
inspection*

Dear Mr. Kauffman:-

Enclosed I send you a blank protest, similar to the one left with you, which please return me by bearer, as it is signed by Mr. Waggaman, and may be of some service to me.

My address in New York will be Hotel Victoria, Fifth Ave. and 27th St., and I hope very much to have a telegram there from you Tuesday morning stating that the Corcoran Gallery protests against the practical prohibition on antique works of art, which can be the only result of decision 833, and which I am making a strenuous effort to have reversed.

Yours truly,

C. M. Foulke

Dear Sir,

Would you kindly note
that a friend of mine is willing
to sell a picture of
Tintoretto, the miracle of S^t Marc.
This picture $0,97^{\text{m}} \frac{1}{2}$ high
 $1^{\text{m}} \frac{1}{25}$ Breadth
is a repetition of the same at
the museum of Venice. —

In order to ascertain the genuineness
of it, I had it expertised by
M^r Briot, restorer of the pictures
of the Louvre and keep his certificate
at your disposal.

Should you be disposed to
open negotiations, you might

send me your expert and
I would enable him to see
the picture.

Price asked is 30.000 francs.

Hoping to be favoured with
your kind reply I am, Dear Sir,

Yours very truly
Edmond Lefebvre
